

## INTERESTED IN STARTING A PROJECT?

IF YOU HAVE A PROJECT YOU'D LIKE TO DISCUSS, EMAIL  
ME AT [SOFIA@FRANEK.CO.UK](mailto:SOFIA@FRANEK.CO.UK) SO WE CAN DISCUSS YOUR  
REQUIREMENTS AND NEXT STEPS TO CREATING  
SOMETHING TOGETHER.

## I OFFER A RANGE OF DIGITAL SERVICES...

### BROCHURE WEBSITE

This package includes a 100% bespoke website integrated with Content Management System Prismic, fully responsive. I will ensure the website is not only visually engaging but converts, translating your visitors to customers.

Typically this type of project takes 2-3 weeks, however this is an estimate and can take shorter or longer depending on iterations or scope.

### ECOMMERCE WEBSITE

This package includes a custom built website integrated with Content Management System Prismic, fully responsive, using Shopify for the e-commerce integration. I will ensure your website offers a smooth user journey along with guiding you on the ins and outs of an online store including payment gateway integration and the runnings of your store.

Typically this type of project takes 4-8 weeks, however this is an estimate and can take shorter or longer depending on iterations or scope.

### WEB MAINTENANCE

Have a site but need some help?

Do you already have a beautiful website in place but looking to make some simple tweaks or additions? I can work with you to ensure your website stays current and up to date, working with you on a hourly or daily rate dependant on your requirments/brief.
